

Tider Påskerennet Høgevarde 2016

Kommentar: I år var det fristil. Noen på slutten gikk nok en kortere løype. Beklager om noen navn er feil skrevet. Neste år foreslås forhåndspåmelding, da ventetiden var noe lang og start nr. ikke rakk til alle, slik at starten ble stoppet i 5 min før vi fikk inn flere nr. Totalt deltagerantall ble 112 fullførte. Høgevarde og uansvarlig tidtagersystem takker så mye for den store deltagelsen.
